Not functioning properly	Page-turning pen failed to connect with receiver	Please contact your local dealer.
Function disorder	System malfunction	Please contact customer service for re-pairing.

Maintenance

Our company is responsible for free maintenance in case of product failure within one year of normal use from the date of purchase.

The start date of the warranty period is subject to the purchase date and invoice of the product warranty card.

Please show the product warranty card and invoice during maintenance.

Please keep this warranty card properly. If it is lost, it will not be replaced. The purchase date filled in must be consistent with the invoice number, otherwise it will be invalid.

This card cannot be altered, otherwise it will be invalid. For products beyond the warranty period or not subject to free maintenance, the maintenance service center of our company is still enthusiastic to serve you.

One of the following conditions does not belong to the scope of free maintenance:
 1. Products beyond the warranty period
 2. Those who cannot provide purchase invoices or valid vouchers.
 3. The appearance is naturally old due to use, and the consumer requires updating.
 4. Failure caused by failure to use according to the instructions
 5. Failure caused by falling or collision.
 6. Failure caused by self assembly, disassembly and repair.
 7. Samples and processed products for commercial display and products with performance overload test
